Apo Reef Natural Park Stakeholders' Meeting

PCSSD 'sits' the Apo Reef Natural Park stakeholders in 'one table'.

The meeting put together and facilitated by PCSSD in Sablayan, Mindoro Occidental was the first time the stakeholders of Apo Reef - from both Public (DENR, PAMB, LGU, etc.) and Private (Operators) collectively gathered as one body to discuss matters on Apo Reef.

To set direction, perspective, and guiding points, the PCSSD invited Ms. Angelique Songco, the Protected Area Superintendent of Tubbataha to present their successful management system.

One of the main points of discussion was the dive fees. With the complexity of the matter and the need to review legal documents and issuances pertaining to it, the Apo Reef Stakeholders are compelled to continue discussions in a series of subsequent meetings.

Here's to a better Apo Reef!
